

Outline

Five Star Workshop

Title

Does Your Instruction Rate 5 Stars?

Presenter

M. David Merrill, Professor, Utah State University

Outline

Part 1 TELL -- What are the five Stars?

Each of the five stars for effective instruction will be defined, explained, discussed, and illustrated via instructional products.

Part 2 SHOW -- Demonstrating the five stars.

A number of different instructional products will be demonstrated and analyzed for instructional effectiveness using the five stars.

Part 3 DO -- Applying the five stars.

Participants will have a hands-on opportunity to analyze several instructional products to determine their relative instructional effectiveness based on the five stars.

Part 4 DO -- Integrating the five stars.

Participants will have a hands-on opportunity to design a piece of instruction using the five stars.
